The psychologist Daniel Goleman is the world's leading expert in Emotional Intelligence. His book (of the same title) was on The New York Times best-seller list for a year and a half, with more than 5 million copies in print worldwide. It is an international best-seller and has been translated into over 30 languages. The Harvard Business Review called Emotional Intelligence "a revolutionary, paradigm-shattering idea - the kind of idea that does not just advance the conversation, but permanently alters it."

Dr. Goleman has authored numerous best-sellers including: Working With Emotional Intelligence, Primal Leadership and Social Intelligence.

In Delhi, Dr. Goleman will discuss the keys to successful leadership and share proven methods for leadership development. He will demonstrate how to harness and develop Emotional and Social Intelligence to improve your organisation's performance

Objectives of the Seminar

Learning

- Inspirational Leadership
- The art of team work and collaboration by social awareness and relationship management
- To be aware of our emotions, drives and aspirations for better decision making and creating meaningful work
- The art of integrating IQ and EQ
- To develop oneself and others for improved individual and organizational performance and effectiveness

Target Audience

- CEOs
- HR Heads
- Senior Functionaries
- Directors
- Deans
- Professors of Management Institutions

"If your emotional abilities aren't in hand, if you don't have self-awareness, if you are not able to manage your distressing emotions, if you can't have empathy and have effective relationships, then no matter how smart you are, you are not going to get very far."

- Daniel Goleman
