

**The FEIL Leadership Summit - Dr. Henry Moon
on May 17, 2016 at Taj Lands End, Bandra (W), Mumbai**

Value proposition to the Sponsor

Your brand would be associated with the Leadership Summit as a pioneer in the arena of leadership development and innovation. Dr. Henry Moon a globally known authority on the above themes would lend credibility to the process.

Forum for Emotional Intelligence Learning (FEIL) has been associated with leadership development in India. Over the years FEIL has invited some of the global thought leaders viz. Daniel Goleman, Richard Boyatzis, Lyle Spencer amongst others for talks in India. This is in the pursuit of our vision of building a quality leadership pipeline in India. FEIL a non-profit Organization consists of top bureaucrats, Practitioners from Public and Private Sectors and leading academicians from across the globe.

Numerous organizations including several Fortune 500 companies and large multinationals both from the private and public sectors have been associated with FEIL as sponsors. Our sponsors have always expressed deep satisfaction and happiness in partnering us.

This Leadership Summit would enjoy the participation of decision makers and top executives at the level of CEOs, CFOs and CHROs. This would be a target segment for both personal and professional networking as also a great opportunity for brand building.
